- I do not agree with the statement above

I allow my name in the participant roster:

- Yes
- No

Research Integrity and Regulatory Compliance Symposium Registration Form

Thursday Program

Thursday is workshop day at the Research Integrity Symposium. Participants who attend on Thursday have the option of registering for the whole day (attending either a whole day workshop or choosing one each from the morning and afternoon) or registering for a single half-day workshop (either morning or afternoon).

Please select from the following workshop options:

- Full Day: Overview of Research Compliance through the Entire Research Arc
- Morning Session: Lean for the Research Compliance Office
- Morning Session: RIO Roundtable: What to do with a finding of misconduct that is not research misconduct
- Afternoon Session: NCURA RA Discussion Group
- Afternoon Session: Research on Research Integrity (RORI)

Friday Program

Friday is conference day at the Research Integrity Symposium. The program starts with a fantastic plenary featuring our keynote speaker, Heather H. Pierce from the Association of American Medical Colleges. Through the rest of the day, participants will have the choice of three concurrent sessions and multiple opportunities to network with their colleagues, Symposium exhibitors, and researchers.

Looking for more information on the Research Integrity Symposium schedule, please visit our website to view [Fridays Program](#)
